WHAT WONDROUS LOVE IS THIS?

PRESENTED BY FR RICHARD KALEY, OFM CONV.

Every year at the beginning of Lent we hear, *"Even now return to me with your whole heart, with fasting, weeping and mourning; rend your hearts, not your garments."*

It can give us the impression that the bulk of the work to return to God is mostly up to us.

In truth, God is the one who inspires in us the desire to get closer to his heart. This gift of God is an invitation to accept this intimacy.

This retreat will focus on God whose love is wondrous and beyond what we could ask for or imagine.

We will reflect on walking in the light of God's love and on the difference this makes as we journey through life.
